**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am very concerned about the petition by AT&T meant remove competition for broadband service.

I very much enjoy the service from my local ISP and wish to continue with this small business at the reasonable cost they are able to provide at this time.

Please continue to allow small ISP's to offer Broadband and stop this discrimination!
